Subject: Official Information Act Request re: staff working with COVID

Thank you for your request for information under the Official Information Act received by Lakes DHB on 29 June 2022. You have asked:

"for the number of front line medical staff including nurses, doctors and all hospital staff that the Ministry has in circulation who are currently working and knowingly have Covid-19 by the Ministry. I would like this data for the months of Jan, Feb, March, April, May 2022."

No Lakes DHB staff worked who knowingly were positive for COVID-19. Some non-front line staff may have worked at home while they were positive because they chose to do so. This was not required by the employer so the DHB has no record of these numbers.

Released under the Official Information Act
