

Blood products study day 2023

28th February (Tues)

5th July (Wed)

1st November (Wed)

Time: 0830-1630

Venue: PDU Training room

How to register:

Email to register, CNM approval required: pdu.admin@lakesdhb.govt.nz

AIM: Designed for those staff with IV certification (or heading towards it). Aimed at all staff who are involved in Blood and blood product transfusions including RMOs and nurses. Not relevant for staff not performing or requesting blood transfusions.

OVERVIEW: The following topics are discussed throughout the day:

- Blood bank specimen labelling requirements
- Documentation, nursing administration requirements and audits
- Reason to transfuse (or not)
- Adverse events in transfusion
- Massive transfusion protocols and emergency transfusions
- Warfarin reversal
- General discussion time for any other questions or concerns
