

Delirium study day 2023

29th March
27th September

Time: 0800-1630
Venue: Boardroom

How to register:

Email to register, CNM approval required: pdu.admin@lakesdhb.govt.nz

AIM: Improve nursing knowledge about prevention, early identification and management of Delirium using LDHB Delirium Pathway & Resources.

OVERVIEW:

Identify causes and risk factors of Delirium, including common differential diagnosis.

Utilize 4AT as a screening tool and explore the role of TIME Bundle and Daily Supervision and Engagement Assessment Tool in caring for patients with Delirium.

Discuss types of Delirium and specific nursing management, including pharmacological and non-pharmacological management of behaviours that challenge.

Practical tips for managing challenging behaviours

Explore ways on how to prevent delirium in patients admitted in the hospital.
