

## Basic CPR training 2024

Basic CPR training for non-regulated health workers e.g. HCAs, attendants, security, ward clerks, Allied health, Office administrators, and regulated staff who work in low risk areas e.g. Sexual health and Mental health.

Also for revalidation for those who complete Core Advanced – completed in the 2<sup>nd</sup> year.

Training for this group is the online BLS course and then a practical assessment on Adult, Child and infant CPR and choking. Practice time is available.
