Relationships Internal	Nursing Staff Medical Staff Allied Health Staff Administration Staff Duty Managers Maori Health Teams Multi-Disciplinary Teams Clinical Nurse Educators Clinical Nurse Specialists Clinical Nurse Directors Other Departments	Relationships External	Clients / Patients Family, Whanau, Caregivers Community Agencies Other Health Providers Social Services

1. Primary Purpose(s) of the Position

START (Supported Transfer and Accelerated Rehab Team) is a programme that accepts referrals for patients who are medically cleared and can be discharged home earlier than previously possible with an individualised care plan and intensive holistic support. Supported care in the home is managed through case management and supervision by experienced allied health and/or nursing staff, and it is delivered in the patient's home largely by trained health care assistants or allied health support workers. The service operates 7 days/week.

The Registered Nurse (RN) is responsible and accountable for the assessment, planning, delivery and evaluation of safe and appropriate nursing care. S/he provides nursing care based on the RN scope of practice, NCNZ competencies, LDHB policies and protocols and current best practice and works collaboratively within the multidisciplinary team ensuring quality patient care and a safe client journey across the care continuum.

Key Objectives	Expected Outcomes
Nursing Practice The Registered Nurse provides safe effective client care using professional knowledge and skills in accordance with the Registered Nurse Scope of Practice and Nursing Council of New Zealand competency requirements.	<ul style="list-style-type: none">• Demonstrates continuing achievement of competencies within the four domains for a Registered Nurse with Nursing Council of New Zealand (NCNZ): http://www.nursingcouncil.org.nz/content/download/263/1205/file/Nursing%20comp%20for%20RN.pdf<ul style="list-style-type: none">○ Professional Responsibility;○ Management of nursing care;○ Interpersonal relationships;○ Inter-professional health care and quality improvement.• Maintains NCNZ requirements of an annual practicing certificate.• Meets the orientation and ongoing knowledge and skill requirements for relevant clinical areas.• Maintains currency in organisational core certification as relevant to the clinical area.• Notifies manager of any changes to scope of practice or conditions on practice (determined by NCNZ).• Complies with any specific conditions on practice as determined by NCNZ.• Maintains knowledge of and practices within the HPCA Act, code of conduct NCNZ and other governing legislation relevant to the nursing role.• Practices within Lakes guidelines, protocols and Nursing Practice Standards.

Key Objectives

Expected Outcomes

Contribution to Service Delivery

Member of the Nursing team, contributing to collaborative team work, and individual responsibility for generating and maintaining accurate data.

- Provides support to colleagues and the multidisciplinary team (MDT) to meet patient care and service needs.
- May be required to work in other units to meet patient care needs.
- May take the leadership role by coordinating the shift.
- Is mindful of and responsible for the appropriate and cost effective use of resources in relation to allocated patients within the unit.

Utilisation of Telehealth

Provision of patient centric care which will give patients the option of telephone or video appointments where there is no need for an in-person appointment.

- Service provision is in line with the New Zealand Health Strategy and the Nurse Executives of New Zealand Telehealth Position statement to provide care “closer to home”.
- Assist doctors and nurse practitioners to deliver care via video and phone.
- Advise patients in the use of tele-monitoring devices (where appropriate) and provide follow-up care to prevent unnecessary hospital admissions.

Other Requirements

- Lakes is required to provide 24 hour services which at times may require you to change duties or redeploy to another unit/department to ensure safe patient care.
 - This position description is not exhaustive and you may be requested to perform other reasonable tasks within your scope of practice.
-

Key Objectives

Description

Expected Outcomes

Communication and Personal Interaction

Te Ringa Hora

the open hand (denoting someone who is sociable)

Openly communicates and cooperates with all levels of DHB employees, patients and visitors.

- Builds and maintains open respectful relationships.
- Openly and constructively participates in conversations with multidisciplinary team, patients, managers and visitors.
- Accepts differences of opinion can occur but these happen respectfully.

Strategy & Performance

Te Ringa Raupā

the roughened hand (symbolising a hard worker)

Spends energy on delivering role requirements and meeting objectives.

Organises own time to deliver on required tasks and duties.

- Has an energetic approach to work and is self-motivated.
 - Accepts direction and instruction of manager but is able to work effectively without direct guidance.
 - Maintains expected productivity in line with assigned duties.
-

Key Objectives

Description

Te Ringa Ahuahu

the hand that shapes or fashions something (refers to someone who is innovative)

Accepts change in day to day practices and contributes to decision making of the team.

Makes suggestions to increase efficiency of the unit.

- Constructively makes suggestions to improve process or practices and gain efficiencies.
- Demonstrates positive attitude and responsiveness to opportunities for improvement.
- Is solution focused.
- Undertakes and manages a specific portfolio of responsibilities as agreed with the CNM.

Personal Accountability

Te Ringa Tōmau

Te Ringa Tōmau

the hand that is trustworthy

Is open with manager and colleagues and open to accepting feedback and critique to improve upon practice.

Looks for and undertakes development activities appropriate for role and career development.

- Offers and receives constructive critique of practice and self.
- Shows respect and establishes rapport when responding to the different needs of people and practice situations.
- Advises manager whenever issues may be impacting on performance.
- Recognises areas that could be improved in own practice and takes action to address those needs.

Key Objectives

Description

Expected Outcomes

Culture and Values

Te Ringa Taurima

*the hand that nurtures, encourages,
supports*

Operates in line with Lakes values and expectations and professional codes of conduct.

- Demonstrates manaakitanga, respect, integrity and accountability in every day performance.
 - Incorporates the Lakes Way into day to day business activities.
 - Demonstrates the culture and the agreed behaviours of Te iti Kahurangi.
 - Shows respect for patients, colleagues, managers, Multi-disciplinary team and others.
-

Compulsory Requirements

Expected Outcomes

Māori Health

Māori philosophies and values of health are demonstrated in work practice.

- Meaningful relationships are established with Te Aka Matua (Rotorua and Taupo Hospitals) and Lakes Maori Health division in the planning and delivery of services.
 - Practices are consistent with Te Tiriti o Waitangi /The Treaty of Waitangi when working with Māori.
 - Delivery of safe services for Māori are facilitated by ensuring they can access treatment options and are involved in the planning and delivery of their care.
 - Māori are enabled to access and participate in cultural activities provided by the Lakes.
 - A commitment to improving the wellbeing of Māori by increasing cultural knowledge in the Lakes is shown.
-

Te Iti Kahurangi

The Lakes Way, Our Place Our Culture.

- Works within the Te Iti Kahurangi framework and supporting guide document.
-

Record Keeping

- Complies with the Lakes Corporate Records Management policy to create and maintain full and accurate records.
-

Compulsory Requirements

Expected Outcomes

Quality & Risk

Patient safety is paramount to the service we deliver at Lakes. This is to be achieved in a clinical governance framework that is culturally responsive and identifies and manages risk and opportunities to improve.

- Employees are supported to lead by example and implement a culture of continuous quality improvement.
- Risks that may prevent Lakes from achieving their goals are identified, reported, and managed.
- Māori patients are provided patient-centred care to achieve positive Māori health outcomes.
- Needs of Māori are reviewed and reported in the further development of practice, process and or policy.
- Evidence-based methodologies are used to support improvements, e.g. Kaupapa, Māori methodology.
- Quality care is provided to certification standards.

Health & Safety

Each individual is responsible for ensuring the safety of themselves, their colleagues, patients and their visitors and to comply with all organisational health and safety policies, procedures and guidelines.

- Implementation and reinforcement of a proactive healthy work place culture which reflects relevant Lakes policy and legislative requirements.
 - Healthy lifestyles are actively promoted and participated in, within the work area.
 - Employees participate in Health and Safety within areas of work.
 - Health and Safety activities are appropriately documented within specified timeframes.
 - Health and Safety policies have been read and understood and are applied in the workplace.
 - Health and Safety policies are appropriately documented within specified timeframes and incidents are reported immediately.
 - Any opportunities for improving Health and Safety are reported and acted upon in a timely manner.
 - All near misses/incident/accidents are reported to the appropriate line manager within 24 hours.

Person Specification

Essential

Desirable

- Adaptability and flexibility.
- Prioritisation, time and workload management skills.
- Works well within team to achieve collective outcome.

- Flexibility and lateral thinking.

2. About Te Whatu Ora – Lakes

At Lakes we place the highest value on the health and wellbeing of everyone in our community. As such all healthcare workers are expected to play a part in the creation and promotion of an environment which lives the following vision, mission and values:

Vision

Healthy Communities – Mauriora! In this vision Mauriora refers to the Mauri - being the life essence and the source of well-being, and ora - describing the state of wellness.

Strategic Mission

- Achieve equity in Māori health.
- Build an integrated health system.
- Strengthen people, whanau and community wellbeing.

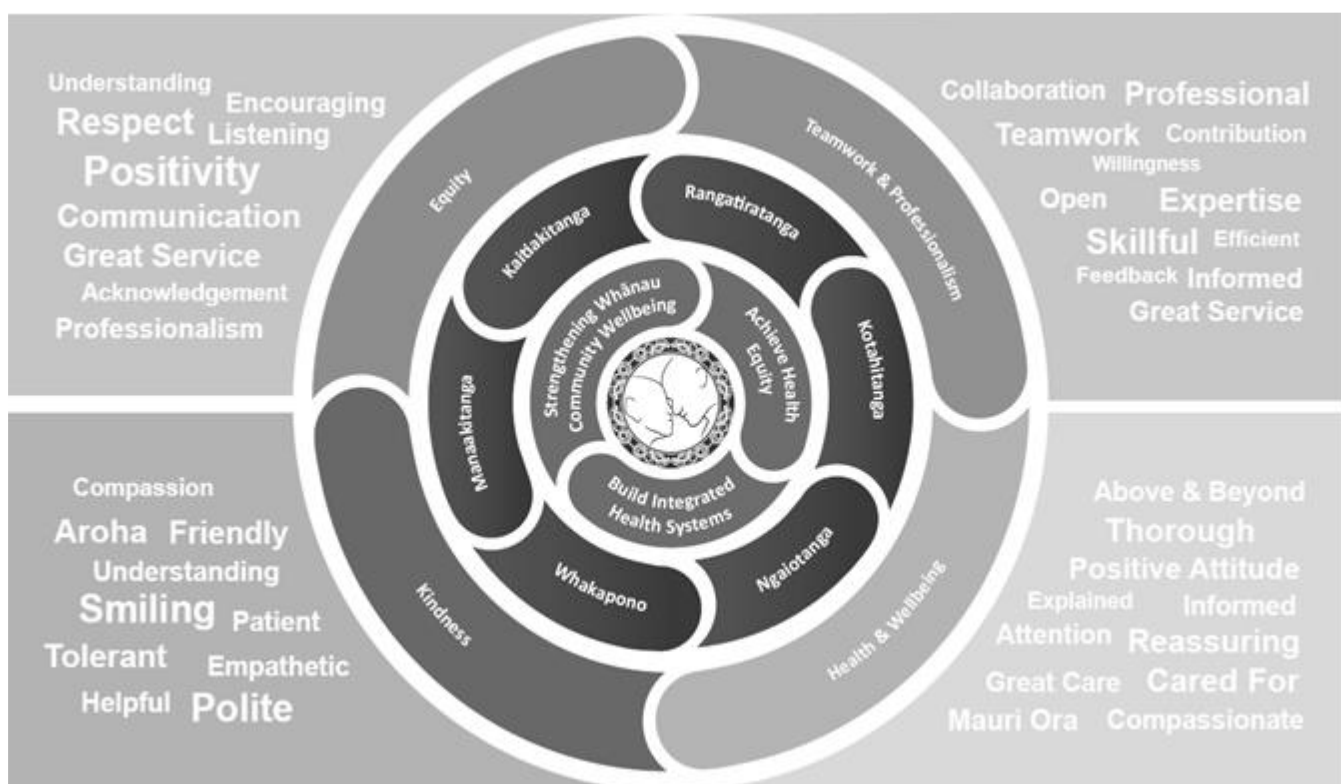

Three Core Values

Manaakitanga Respect and acknowledgment of each other’s intrinsic value and contribution.

Integrity Truthfully and consistently acting collectively for the common good.

Accountability Collective and individual ownership for clinical and financial outcomes and sustainability.

3. Te Iti Kahurangi – The Lakes Way, Our Place, Our Culture – We Will

4. Te Tiriti O Waitangi

Our expression of Te Tiriti o Waitangi

The text of Te Tiriti, including the preamble and the three articles, along with the Ritenga Māori declaration, are the enduring foundation of our approach to achieving health and independence. Based on these foundations, we will strive to achieve the following four goals, each expressed in terms of mana.

Mana whakahaere

Effective and appropriate kaitiakitanga and stewardship over the health and disability system. Mana whakahaere is the exercise of control in accordance with tikanga, kaupapa and kawa Māori. This goes beyond the management of assets and resources and towards enabling Māori aspirations for health and independence.

Mana motuhake

Enabling the right for Māori to be Māori (Māori self-determination); to exercise their authority over their lives and to live on Māori terms and according to Māori philosophies, values and practices, including tikanga Māori.

Mana tangata

Achieving equity in health and disability outcomes for Māori, enhancing the mana of people across their life course and contributing to the overall health and wellbeing of Māori.

Mana Māori

Enabling Ritenga Māori (Māori customary rituals), which are framed by te ao Māori (the Māori world), enacted through tikanga Māori (Māori philosophy and customary practices) and encapsulated within mātauranga Māori (Māori knowledge).

Lakes is committed within the framework of the New Zealand Public Health and Disability Act (2000) to supporting the Crown's commitment to upholding its Tiriti promises.
