

**LAKES DISTRICT HEALTH BOARD  
BOARD MEETING – 10<sup>th</sup> December 2021**

**Resolution: Lakes DHB Alcohol Position Statement**

That the Board **approves** the Lakes DHB Alcohol Position Statement

Alcohol-related harm impacts significantly on the health of individuals, family/whānau groups and the wider community.  
To improve population health, Lakes District Health Board supports strategies and initiatives, with a strong equity focus, that aim to reduce alcohol consumption and contribute towards healthier environments.
